PETITION UNDER 37 C.F.R. 1.182

Sir:

In response to the September 30, 2008 Notice vacating the Notification of Acceptance mailed on September 10, 2008, please correct the PCT international application number associated with Serial Number 10/578,930 to read PCT/IB2004/052317 as listed in the Oath and Declaration instead of PCT/IB2004/052276 as indicated on the original transmittal letter.

The PCT international application number, attorney docket number, applicants and title were, without deceptive intent, incorrectly listed on the original transmittal letter. The remaining documents submitted on May 8, 2006 correctly referenced PCT/IB2004/052317. The Notice correctly pointed out that the Declaration filed with the application listed international application number PCT/IB2004/052317 which was correct. Concurrently with this Petition, applicants submit an Application Data Sheet with the corrected international application information.

Applicants submit that the application information listed in the Filing Receipt dated
